

Specialist SEND Consultancy for Schools

Running Deer C.I.C

**Supporting schools to create inclusive,
effective provision for every learner.**

Specialist SEND Consultancy for Schools

Running Deer C.I.C provides specialist SEND consultancy for mainstream schools, alternative provision, and education settings seeking expert guidance on complex needs, EHCP processes, behaviour, inclusion, and strategic SEND development.

Whether you need one-off advice, support with a particular pupil, or ongoing strategic consultancy, our services are designed to provide practical, evidence-based solutions that improve outcomes for children and young people.

Why choose Running Deer for your SEND needs.

Running Deer C.I.C's SEND consultancy is led by Katherine Hurst, an experienced specialist with more than 20 years in secondary education.

As a highly experienced Secondary SENDCo, Katherine has successfully led every aspect of SEND provision. Katherine's experience includes:

- EHCP processes
- SEND Support
- Enhanced specialist provisions
- Behaviour and inclusion strategy
- Multi-agency working
- Alternative Provision (AP) planning

Her qualifications include:

- Master's Degree in Special Educational Needs and Inclusion
- National Award for SEN Coordination (NaSEnCo)
- Level 3 Child Protection

Katherine combines strategic leadership, practical experience and evidence-based practice to help schools develop sustainable, inclusive systems that enable every child and young person to thrive.
