

# Running Deer Emotional Curriculum

## Stage 1: Emotions

### Lesson 3: Musical Feelings

Review: To what extent has the student met the learning outcomes?

Student Name:

| Learning outcome  | Emerging<br>(just starting) | Developing<br>(almost) | Secure<br>(yes) |
|---|-----------------------------|------------------------|-----------------|
| I can link a feeling to a piece of music  |                             |                        |                 |
| I can discuss how a piece of music makes me feel  |                             |                        |                 |
| I can recognise how I am feeling today (this is for students able to access this at this point) |                             |                        |                 |
