What is Child Protection about?

We think that your health, safety, and welfare are very important.

We respect all students and help to protect their rights.

We want students to remain safe, at home as well as at school.

How will we try to protect students?

We try to provide a safe environment for students to learn in.

We help you to recognise risks and how to stay safe.

We offer support to students who are experiencing difficulties at school or home.
