In the event of a fire

Staff: assess the situation and which is the best way to exit the building and to the head to the designated safety point by the ticket machine at the entrance of the car park.

Procedure

The smoke alarms will go off or a staff member or client will notice a fire and will notify all.

- Staff and clients to make way your way to the designated assembly point which is located at the entrance of the car park by the ticket machine.
- Director of interventions or designated member of staff will call out the register.

Fire Drill

Staff will be informed at the beginning of the day if there is a planned fire drill.
