What is Child Protection about?

We think that your health, safety, and welfare are very important.
We respect all children and young people and help to protect their rights.
We want you to remain safe, at home as well as at Running Deer.

How will we try to protect children and young people?

We try to provide a safe environment for you to learn in.
We help you to recognise risks and how to stay safe.
We offer support to children and young people who are experiencing difficulties
at Running Deer or at home.

Need to talk?

You can talk to any adult at Running Deer if you need to, but your
Intervention Practitioner or Rachael/ Adam would be a great place to
start

If you feel that you are unable to speak to any of the staff at the Intervention
service or you are not at Running Deer, you can always ring Childline on
0800 1111
